A Leadership Opportunity For YOU

Therapeutic Touch Networks of Canada (TTNC)
is the umbrella organization for the Canadian Networks.

As a member of your Regional Network, you are automatically a member of TTNC, and could be our next President or Secretary!

Now is an opportunity to share your current skills or rekindle past skills and come On-Board.
Join a committed crew.

This is an opportunity for *YOUR* self-care, leadership and stretching your abilities.
Are *YOU* a candidate to be the next TTNC President or Secretary?
We need *YOU*!

- We are in need of someone who is an experienced practitioner in Therapeutic Touch® (TT), who is ready to join and learn the 'ropes' from Betty Whitney the current TTNC President.
- He/she must be familiar with TTNC as a national non-profit organization, as well as be able to build consensus in the decision-making process.
- The transition to president, for a two-year term, will take place at the AGM in November 2027, after a year as President Elect.

If you feel the slightest 'nudge', are curious, or know someone who may be ready,
